DETAILED ITINERARY

Landing at Entebbe International Airport using either Kenya Airways or Uganda Airways.

Your designated tour guide will meet you at Entebbe International Airport with vital information about your tour/safari.

Your journey to Kisoro will begin here, as you're transferred to Bwindi Impenetrable Forest National Park (Approximately an 8 - 10-hour drive from Kampala).

You will have a Stopover for breakfast at CJs Entebbe and lunch at Igogo Country Resort or Lake View Hotel Mbarara and continue your way to Kisoro.

Activity	Details
Landing at Entebbe International Airport	For pleasant services please consider using Uganda Airways.
Meet and Greet	Your tour guide will meet you at the airstrip. An English-speaking guide
Breakfast	You will have breakfast CJs in Entebbe and then your road trip begins.
Stop over for lunch	You will stop over for lunch in Mbarara, and here you will get a chance to taste local food.

DAY 2:

Gorilla Trekking Travelers say there is no other wildlife encounter in Africa that compares to the outstanding experience of spending face-to-face time with Uganda's wild gorillas in a natural setting. Seeing the sheer might yet gentleness of the silverbacks and the playful nature of the juveniles and infants is an unforgettable experience.

Gorilla treks begin at 8 AM every day with a briefing after which groups of a maximum of eight Tourists trek into the mysterious jungle. The trek can last anywhere from 1 hour to 6 hours depending on where the gorillas will be on a Specific day and you will be led by expert rangers and an experienced team of advanced trackers.

There is also a pleasant opportunity to see several other fauna and flora species, and birding along the way. Which gorilla trekking section you should choose for your adventure excursion will depend on where the gorilla permit will be available when making reservations.

Activity	Details
Breakfast	Breakfast will be served early and Lunch will be packed.

About: Bwindi Impenetrable National Park Bwindi is the habitat of more than half the world's

population of Mountain Gorillas with over 300 mountain gorillas living here, 346 bird species, and 200 butterfly species. The word “Bwindi” means “darkness” and taking a hike in this magnificent forest will certainly unveil to you the reason why the forest was named so. You will also be in a position to fast tell why the forest is also regarded as Impenetrable. One is required to be physically fit to take part in this mountain gorilla tracking / trekking adventure because it may involve climbing the steep terrain.
